CLIENTS' TESTIMONIALS

We have been acquainted with Reggie Audant for approx. 12 years.

We met at an open house while looking for our new home after relocating to Maui. With Reggie assisting us in our search, we were able to find a beautiful home and get through the purchase process smoothly.

When we were ready to upgrade to a different home, we asked Reggie to assist us a second time in our purchase as we had been very satisfied the first time. It was a foreclosure property and turned out to have many snags in the purchasing process. Reggie was extremely patient in his assistance to get thru all the legal aspects and challenges, seeing it thru with us down to the end of what turned out to be a six month process. We were very appreciative of all of his efforts in a very discouraging process. We have since become friends. We have also had business transactions together, doing some direct sales together in this challenging economy.

We have found Reggie always to be honest and forthright in his work. Also to have integrity and a commitment to thoroughness in handling all matters in a correct and legal manner. He is also timely and prompt in any appointments and to facilitate whatever transaction was taking place. Anyone looking for assistance in real estate, looking for a business associate that could be trusted, or seeking a friend, we would highly recommend Reggie Audant.

Donna Marie Wilson R(S)

Having integrity to do the right thing, solid communication, trust, honesty and commitment in all things are the building blocks to a successful and happy life, whether it is personal or business. Real Estate has always been my passion and I am ready to combine the motto I live by with the excellent customer service you deserve to create a successful relationship with you!

A little bit about me...

Relocating to Maui was the best thing I could have ever done for myself! I am happier now than I have ever been and the people here are so kind, generous and loving. I grew up in a small town in Northern CA near Mt Shasta. Being the youngest of 6 children I learned quickly about drive and initiative if I were ever to keep up with my older siblings...(4 of which were boys)!

Raising 3 beautiful (now adult) children reinforced the patience and understanding needed to deal with any situation coming my way...and trust me...there were many opportunities to hone my skills.

I worked for the Yreka Elementary School for 13 years as a Para-Professional Teacher's Assistant, Title I Reading Teacher, Counselor, and a California State Examiner for the 'No Child Left Behind' Program. After my children went into High School I began working as a City Letter Carrier and Supervisor for the U.S. Postal Service throughout Siskiyou County. I moved from Northern California to Maui in early 2009 and enjoy being a successful Real Estate Agent for Wailea Realty Corp. It is such a blessing to help others realize and achieve their dreams of property ownership on the beautiful island of Maui, Hawaii.
